### DETAILED ACTION

1. The examiner of record has changed from K. Godfrey to Edmund Lee.
2. Claims 12-16 and 19-33 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The phrase "less than or equal to 0.3 mm" (cl 12, ln 6) is confusing in light of the fact that the instant specification requires a fluoroelastomer layer. The above phrase includes the possibility of a zero thickness. It appears a lower limit other than zero is required.

Claim 19 is indefinite because it appears the claim does not further limit the fluoroelastomer. Since a fluoroelastomer is a fluoropolymer, the phrase "said fluoroelastomer layer comprises a fluoropolymer" is unclear.

The phrase "less than or equal to 0.3 mm" (cl 24, ln 4) is confusing in light of the fact that the instant specification requires a fluoroelastomer layer. The above phrase includes the possibility of a zero thickness. It appears a lower limit other than zero is required.

Claim 31 is indefinite because it appears the claim does not further limit the fluoroelastomer. Since a fluoroelastomer is a fluoropolymer, the phrase "said fluoroelastomer layer comprises a fluoropolymer" is unclear.

Correction is required.

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
